Spring 2019

Connect Groups at The Village

One of the goals of our church is to help you find connection with God and others. In a great church like The Village, you have to be intentional about your connection. You have to purposefully decide to volunteer and participate in a group; both of which you will find rewarding and satisfying as you will make friends, build relationships, and find support and encouragement for your life. Your knowledge and practical application of God's word will grow exponentially as you join with others in the study of His word.

A handwritten signature in black ink that reads "David W. Burt".

Celebrate - describes our worship.

Psalms 145:7, "They will celebrate Your abundant goodness and joyfully sing of Your righteousness." Our worship is found and formed in our understanding of God's grace. Jesus died on the cross for my sin and when I open my heart to Him, I find forgiveness, purpose, and a new pattern for living. In celebration, we are also reminded to share God's grace in words, thoughts and deeds. We are people who celebrate the goodness of God in every circumstance and situation.

Connect - describes our relationships.

Acts 2:44, "All the believers were together and had everything in common." God created us to live in community. We reflect Him when we live connected to others. Connection entices a lonely world to join us. With intention, we connect through seminars, classes, coffee houses and connect groups and in our Café. Our deep desire to connect encourages us to help others connect also.

Care - describes our service to each other and the world.

John 3:16, "For God so loved the world that He gave..." Meaningful service is important to everyone at The Village. So we volunteer with enthusiasm to make a difference in each other, our community, and the world. We seek out those in need in our local community, and around the globe so the love of Christ may be observed through us.

The Spring 2019 session runs approximately 20 weeks, beginning the week of January 7th, and ending the week of May 24th.
